

# A World of Discovery

An exceptional year of exploration and adventure awaits aboard *The World*, the largest residential ship on Earth

*The World*, the largest privately owned residential yacht on Earth has announced an exceptional 2023 journey. Sailing across every ocean to six continents, a voyage of adventure awaits on an itinerary that features undiscovered, remote destinations to chic, cosmopolitan cities across Europe, North and South America, the Caribbean, the Middle East and tropical destinations dotting the Indian Ocean. The only ship of its type in operation today, *The World* offers a one-of-a-kind

ultra-luxury travel lifestyle of global exploration from the comfort of home. It is both a sanctuary for resident owners and a springboard to incomparable, life-affirming experiences.

Hailed for its epic expeditions to Earth's most remote regions, *The World* will host two of these special voyages in 2023 to the Arctic Circle. The first throughout Greenland and Ellesmere Island, and the second along Canada's rugged Baffin Coast. At year's

end, the ship will explore the breathtaking scenery and diverse wildlife of Antarctica. The ultimate experience, *The World's* expeditions offer residents a once-in-a-lifetime exploration of a particular region led by knowledgeable experts, all in complete luxury.

Will you make the journey? A small selection of homes on *The World* is available for resale. To learn more about ownership opportunities visit [aboardtheworld.com](http://aboardtheworld.com).
